Harvest Vision Ministries

January 2007 – August 2026
Africa Praise Report
Crusades: 5,052; Salvations: 551,388

Before time, God was alone, "For He chose us in Him before the creation of the world to be holy and pleasing in His sight. In love, He predestined us to be adopted as His sons through Jesus Christ, in accordance with His pleasure and will to the praise of His glorious grace, which He has freely given us in the One He loves." (Ephesians 1:4-6)

God's purpose was to not be eternally alone.
Jesus was God's mission as He journeyed into humanity.
And God's Purpose and His Mission have a Body – the Body of Christ.
His Body has the heart of the Father, the mind of Christ and the power and wisdom of the Holy Spirit. The Body of Christ are the eyes, ears, mouth, hands and feet needed to fulfill the purpose and mission as Jesus instructed. "And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come." (Mt 24:14)

Jesus said that we should open our eyes and look at the fields because they are ripe for the harvest. He also said that because the workers are few, we should pray to the Lord of the Harvest, the Holy Spirit, to bring the workers. We thank our God who has supplied all our needs according to His glorious riches in Christ Jesus.

Many thanks to everyone that supports the Harvest Kids ministry by providing drop-off locations for aluminum cans (also brass, copper & aluminum). The locations are on the website under "Harvest Kids", "How CAN I help". Thanks also for our donors that have donated the use of their land for the planting of corn and hazelnuts that are helping us spread the gospel and the Harvest Kids to meet the basic needs of orphaned and other vulnerable children in central Africa and beyond, those that have faithfully helped plant, weed, harvest and make available the corn and the hazelnuts that we are able to give to those in need and also provide the opportunity for anyone that chooses to help provide the prayer and resources needed to do this labor of love for God's glory. Thanks to those in Granite Falls, Lyman, Concrete, Burlington, Mount Vernon, Anacortes, Oak Harbor, Sedro Woolley and other locations. A blessing to be able to provide for the Gleaners and those that are simply in need of the "face they can see and the hand they can touch" that God allows for those that are chosen to "serve, rather than be served". Hazelnuts and the corn are part of a memorial to Kylee Walker, who along with her children founded the Harvest Kids ministry in July 2013.

We are so grateful for those that have donated trees and taught our young apprentices how to safely cut, split and stack the firewood that we can have available to help those in need and hopefully receive donations to support the outreach ministry we have been called to do locally and in different nations to reach the broken-hearted and crushed in spirit that need the love of Jesus given to them through "the face they can see and the hand they can touch" – the Body of Christ.

Many thanks to our young apprentices (Harvest Kids 4-15 years old) and our youth in action dudes and dudess's that are learning construction, lawn, garden and farming skills and mechanic ministry helping with vehicle maintenance and repairs for those that cannot afford them. A big thanks to our mechanic servants that provide the maintenance and repair on the vehicles and trailers we have been entrusted with to meet the needs of those less fortunate in our communities that cannot afford and have no one to help with moving, take care of the home and yard, trips to the hospital or transportation for their kids to Harvest Kids or to take care of the corn fields planted to raise money to help meet the needs of those in our community, Mexico, Africa and India. Thanks to the older generation that sacrifice their hearts, skills and encouragement to these young warriors to be true disciples in the harvest fields.

Harvest Kids has been a blessing to many people, including here in the very town we live in, with the help of aluminum cans being collected around the whole entirety of Skagit valley. 11 different locations scattered. All aluminum can donations go and will continue to go to helping less fortunate broken and orphaned families in Comfort Africa. We have been blessed this month to come up with the money to send to Namaingo Harvest Vision church family in Eastern Uganda, Africa. Total was 120 backpacks with love eternally impacted. The total amount sent was $3,680 to Africa, to help the less fortunate, broken, orphaned children, families including those of special needs. Knowing that it's not a disability but a different ability that God gave each one of them. Most of that money came from the corn harvest. So much thanks to Fred DeVries for planting all the corn and continued support for the overall ministry. Also, thanks to Mike and Lisa Noel and all who opened their home for Harvest Kids to come and meet. The Harvest kids will continue to meet every other Saturday on 2nd at Fred DeVries shop and the 4th Saturday at Mike and Lisa Noels greenhouse. We are grateful for the continued support of many people that are encouraged by the Harvest Kids and the overall ministry. Thanks to all who help in various ways through prayer, donations, helping set up with Harvest Kids and countless other ways that are longer that I can type. The Harvest Kids will also meet as the Lord directs in each community. God bless you all for taking the time to read the newsletter.

***** Please join us for the Harvest Vision Ministries Dinner & Silent Auction fundraiser at the Lyman family church on Nov 7 from 5-8pm.**

Mexico

"God bless you. September 2026 started 5th grade for Brissa and 1st grade of secondary school for Jesús Javier our grandchildren. Javier is now staying with his political aunt; she was able to enroll him in a better school where her daughter attends. I only have Brissa with me during the week. We are running Harvest shuttle service to school daily from Monday to Friday serving 4 kids most of the time, this week our shuttle service had to add a service to the doctor for 3-month-old Lían Uriel also became a DiDi milk delivery service for him because his mom's car broke down. Please pray for Andrea Martinez (Lian's mom). She is only 21 years old and has too many negative things going on in her life. Miguel and I accompanied Pepe and Anabel to the Tijuana area to take care of things they needed to solve there. Pepe doesn't feel very comfortable driving in that area. Pr. Carmen is in Phoenix for a month, which is a requirement from SSS to keep paying her Pr. Mario's retirement. Miguel and I are helping Kenia and Bethsy Cervantes with managing Church business until Pr. Carmen is back. Please keep Brenda and Josefina in prayer, as our temperature goes down comes the season when Brenda starts getting respiratory infection often, and Josefina's swollen legs. All our other regular activities are the same. Guerrero - Keep Pr. Obed and Zury and the missions of La Tuba and Huizataro in prayer please, they are in rainy season and is hard to get to the mission churches. Love you all Miguel & Olivia"
We will be sending the funds to paint the mission home in Oct-Nov. Ronaldo will be joining Miguel to visit Obed and family in Guerrero in south Mexico in mid-November.

Africa

In August 2026, Harvest Vision Ministries Africa and its partner churches carried out 30 mission activities across seven mission fields in four countries, Uganda, Democratic Republic of Congo, South Sudan and Burundi. The month's work included crusades, door-to-door and market evangelism, follow-up of new believers, discipleship, leadership and ministerial training, and practical charity. Coordinators reported that 766 people were saved, 30 baptized and 21 people in ongoing discipleship.

Burundi recorded the largest harvest, with 530 people saved across six crusades, which is about 69% of the month's total. Northwest Uganda (Nebbi) followed with 94 saved, and Northern Uganda with 56. Beyond salvation, the month also laid foundations for future growth: Namayingo launched a Harvest School of Ministry with 25 registered students, and more than 70 church leaders were trained at a leadership conference in Paicho. Currently, evangelists and believers from different church families are doing door-to-door and crusades for a new church plant in Kaliro, north of the capital city of Kampala, Uganda.

India

What a blessing to be in partnership with Sanjeev Nand who is the apostolic leader for Harvest Vision India where we have been able to start teaching on the 5-fold ministry as described for the preparing and equipping of the church in the last days. Sanjeev will be traveled to Chennai, the 6th largest city in India in the southern state of Tamil. Unlike the three states we are currently ministering in, the language is Tamil or English instead of Hindi. Martin, the Harvest Vision Director in central Africa and one of the Bible school teachers is joining with Ronaldo and myself in the USA to share every month in Bible school teaching for leaders in India via the internet. Lessons are sent before the sessions so they can be translated and given to the leaders before the training. We are also sharing the gospel into the homes of families living in different areas every month. We are also pleased that Sanjeev has started Harvest Kids in India. He meets with children in his village two hours every Sunday sharing the Word of God, memorizing scriptures, praising God, sharing testimonies and praying together. India now exceeds the population of China with almost 1.5 billion people with less than 2% Christians. Please join us in prayer for the gospel to be preached. Many of these believers are ostracized from their families and communities when they accept and follow Jesus Christ.

The profiles of each coordinator are available on the www,harvestvisionministries.org website under Africa leadership. We will soon have Sanjeev's profile on the website. Please take a moment to get to know them and pray with them for the harvest of more souls and the discipleship of these new brothers and sisters. We will be adding Sanjeev's profile soon.
