

Harvest Vision Ministries

January 2007 – June 2026

Africa Praise Report

Crusades: 4,994; Salvations: 549,809

We are thankful to be serving with other co-laborers in our local communities, counties, states, country and to all nations throughout the world. Blessed to meet with other believers that are devoted to God's Word (the apostle's teachings), communion, fellowship and prayer that are choosing to follow Jesus by living their lives intentionally to "Deny themselves and pick up their cross daily and follow Jesus" with others having everything in common and no one with any need that is not met through the glorious riches of Christ Jesus.

"This is the message you heard from the beginning and how we know what love is: Jesus Christ laid down His life for us. And we ought to lay down our lives for our brothers and sisters. If anyone has material possessions and sees his brother or sister in need but has no pity on them, how can the love of God be in them? Dear children, let us not love in word and tongue but with action and in truth. This then is how we know that we belong to the truth, and how we set our hearts at rest in His presence whenever our hearts condemn us. For God is greater than our hearts, and He knows everything." (1 John 3:16-20)

Many thanks to our young apprentices (Harvest Kids 4-15 years old) and our youth in action dudes and dudess's that are learning construction, lawn, garden and farming skills and mechanic ministry helping with vehicle maintenance and repairs for those that cannot afford them. A big thanks to our mechanic servants that provide the maintenance and repair on the vehicles and trailers we have been entrusted with to meet the needs of those less fortunate in our communities that cannot afford and have no one to help with moving, take care of the home and yard, trips to the hospital or transportation for their kids to Harvest Kids or to take care of the corn fields planted to raise money to help meet the needs of those in our community, Mexico, Africa or India. Thanks to the older generation that sacrifice their hearts, skills and encouragement to these young warriors to be true disciples in the harvest fields.

They are all being set apart by God to do their part in the Father's business to fulfill the words of the Lord. To the elders: "Since my youth, O God., You have taught me, and to this day I declare Your marvelous deeds. Even when I am old and gray, do not forsake me, O God, till I declare Your power to the next generation, Your might to all who are to come." (Psalm 71:17-18) and to the youth: "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity. Until I come, devote yourself to the public reading of Scripture, to preaching and to teaching." (1 Ti 4:12-13).

John Seaman, who coordinates the ministry to the homeless and off-grid families in Ferry County along the Canadian border, is in need of help getting a reliable car to support him and Lena, his wife, in their ministry. The county is the poorest in the state and now beset with the forest fires that threaten many of these people that have chosen God to supply their needs by living simple lives helping each other as they have opportunity.

David Vito has been coordinating Harvest Vision Ministries out of Gulu in northern Uganda since 2013. He coordinates evangelism, leader training, church planting and discipleship training. He is now married to Caroline and they have been blessed with two children. They purchased a small plot of land 4 years ago and they are now being evicted from their rental home. He started a simple home but the builder overcharged him and the money we donated was not sufficient. We were able recently to send another \$2,000 but they are lacking the \$3,000 to finish and move in.

Harvest Kids this month has been spectacular. Being able to meet freely without the fear of being arrested for freely confessing our faith. We lift those brothers and sisters who are under persecution and still are willing to risk everything for the sake of Christ testimony. Thanks to all the people who continue to support the Harvest Kids through collecting aluminum cans. It is of utmost importance to the King of Kings, Lord of Lords, the one above it all. He has a plan for everything that happens no matter how bad we think it is. It's all in His hands. God already has won the victory. God has blessed the Harvest Kids in helping reach countless goals for helping hurting, broken people. Even if we don't put our faith in Him, He is faithful and can't disown Himself (2 Timothy 2:13). Sometimes in life we get easily manipulated into thinking God is some evil God to let us suffer in such ways and some of that is true but it's all a part of His plan. We just have to stop doubting, throwing our little fits of rage and have faith in Him despite the circumstances.

The Harvest Kids were blessed to reach the goal for 42 backpacks for school age kids that belong to the Kikoojee church family in Uganda this month and started with getting backpacks with love for the Namaingo church family in eastern Uganda. There are 120 school age children 4-17 years old that belong to the church family but 45 are orphaned or special needs. After their needs are met, we will begin collecting our donations for the remaining 75. God willing, this August the Harvest Kids will be picking lots of ears of sweet corn. We have lots of corn thanks to a brother in Christ who helped plant over 5 acres of corn. The Harvest Kids meet the 2nd Saturday at the dairy Fred's shop 12797 Thillberg Rd. Mount Vernon and the 4th Saturday at Mike and Lisa Noel's greenhouse 9419 Soren Rd. Sedro Woolley from 11am-1:30pm. We also meet with children as the Lord directs in each community.

Mexico

We are thankful that with school in Mexico being on break, Miguel and Olivia's grandkids can spend more time with their mom's and Olivia isn't needing to help with transporting them back and forth to school. Of course, that is a trade off now that the summer heat is on which affects some of the ministry opportunities in the community. They have been having a new children and youth group meeting in the mission next to the home and have the help of two Christian women from the Bethesda church family helping. The pastor of the Bethesda church family passed away a few years ago and his wife Carmen and their family now over-see the ministry. They are also a part of the community women's fellowship that Linda started when we first came to San Luis years ago. They work with Olivia and others to provide prayer, fellowship and food to those in the hospital and parks. Besides home visitation, Miguel and Olivia also help lead prayer meetings, worship and preaching when invited and over-see the use of the van and sound equipment that is made available when church families need that support.

They also stay in contact to offer support, prayer and encouragement to Obed, his wife, Zury and their family that minister in Guayemo, Guerrero in south Mexico. They shepherd the local church family in that community and when the roads are passable, not raining, they over-see the church families in the mountain villages nearby. They continually pray for the Holy Spirit to call one of the believers to fulfill the responsibility to shepherd one or both of these church families. One of the struggles is that most of them cannot read. Over the past, we have donated solar-powered audio bibles in Spanish. The anniversary of their church family will be November 22 and we are praying that Ronaldo, the Harvest Kids coordinator, will join with Miguel to join with them to honor their sacrifices and faithfulness with those that have joined with them from the community. We are thankful that even though the drug cartels in south Mexico continue to fight against themselves and persecute those against them, Obed and his family have been given the grace to continue boldly sharing the love of Jesus in Guerrero and the small church families that meet in the surrounding mountains.

Africa - India

We are so blessed and encouraged by the testimonies of our brothers and sisters that are our co-laborers in the Father's business in central Africa. They and their families make sacrifices every day to bring the Gospel to the many different communities in their regions and countries. In the month of June, they coordinated 36 outreaches and witnessed 1,146 accept Jesus that are now being disciplined in local church families. Pastor's and leaders training in Burundi and South Sudan, discipleship training in each area, outreaches, including door-to-door and baptisms (when there is water available). This next week, 42 children, including orphans, ages 4-17, from the Harvest Vision Kikoogee church family in central Uganda will receive Backpacks with Love to help them with their mission to share the love of Jesus as they attend their different schools to further their education. All the items, including the backpacks, are made in Uganda. The back packs include education supplies, bibles and personal hygiene items, including washable sanitary pads for the girls. Many girls leave school when they reach that period of their life. The funds are provided by the Harvest Kids in the USA. Their mission allows them to show love to children that come from Muslim families and families that follow witchcraft or have no faith at all. The Harvest Kids are now saving to provide 45 backpacks to the least of these (orphaned and special needs) in the Namaingo church family in eastern Uganda. They will then save for the remaining 75 children that are of school age. Backpacks and items are made in Uganda and cost \$30USD each, which is a big number for the local kids and they would appreciate your support.

What a blessing to have found a contact in India, Sanjeev Nand, that allows us to help reach the lost in that country. We are blessed to have spent the last 20 years in partnership with the five-fold ministry in countries in central Africa and the Holy Spirit opened the door for us in India. We have been able to meet with our brothers and sisters from different communities in two different states in India via the internet. Many of them are homebound because their families have separated them because of their acceptance of the forgiveness they have received from accepting Jesus Christ as their Savior and their choice to love Him above all else. We have also been blessed to have the coordinator of the Harvest Kids ministry in the USA, Ronald Plascencia, join with us to encourage the younger people that are starting Harvest Kids India. Sanjeev traveled to another state in mid-July and took Hindi bibles that we were able to provide to share with them. Always about the Father's business, even when Sanjeev is in between traveling missions, he is quick to seize the opportunity to visit and share the gospel to those that live in his local village that are struggling with their doubts because of the Hindu and witchcraft in their communities.

We had our first teaching to leaders in two states in India on July 4th via internet. We were blessed to have 13 leaders share from their homes and they have all been sent out of their Hindu families because of having accepting Jesus. Most have been ostracized also from their villages where they are not able to shop or have any needs met by those in their community. They are passionate about reaching others with the gospel. Less than 2% of the people in India are Christian. We will be planning continued meetings in the future that will be led by Martin the director of Harvest Vision in Africa. Martin has founded bible schools throughout Uganda and has been actively teaching leaders in Africa and other countries for over 25 years.

Please pray for, and if called to help support our brothers and sisters as they spread the gospel to their own people. You can donate to Harvest Vision Ministries for the overall work, Africa, India or the Harvest Kids using the dropdown menu on the website. Thanks for your prayers.

Harvest Vision Ministries

PO Box 15

Concrete WA 98237

Harvest Vision will be working in different communities in Skagit Valley using our equipment, resources and time to help prepare and equip the home church families in these communities and expand the foreign missions.

Every Monday - Women's Study, 9-11am, 9419 Soren Rd. Sedro Woolley. Lisa 425-953-3785; Linda 360- 421-8812.

Snohomish County (WA) Liaison - Keira Menzel: 425-442-5230; k.vizcaya@msn.com

Pierce County (WA) Liaison - Dan & Bonnie Lenhart: 253-569-8448; dblenhart@yahoo.com

Harvest Vision Fellowship Curlew - John & Lena Seaman: 509-207-0843; seadaddy101@gmail.com

If you would like to make a donation, they can be made on line through the "electronic giving" on the home page of the www.harvestvisionministries.org website. You can also mail donations to Harvest Vision Ministries, **PO Box 15, Concrete, WA, 98237**. All donations are tax-deductible and help advance the gospel of Jesus Christ and build His Kingdom. We operate totally on a volunteer basis and no one receives any compensation for the labor that is required to oversee the ministry. All monies go to our co-laborers that are actively reaching the lost and teaching new believers to be true disciples in the various harvest fields He has called us to.
